

SUPPLIER CODE OF CONDUCT

Introduction

The Acquire BPO Group of Companies (Acquire BPO) obtains goods and services from a diverse Supplier base around the world. We aim to partner with Suppliers who not only deliver quality products, superior service and value for money, but also share our ethical ideology. When we have a need to engage new Suppliers, Acquire BPO will actively favor Suppliers who respect and adopt a corporate mindset which mirrors our own positive principles.

Managing 'Responsible' Procurement

Acquire BPO has developed a process for actively promoting Environmental, Social and Corporate Governance (ESG) practices in our supply chain. As part of this process, Acquire BPO:

- Seeks to ensure its Suppliers are compliant with this Supplier Code of Conduct, and its requirements.
- Incorporates, within Supplier Agreements, clauses directed toward ensuring compliance with a number of ESG safeguards.
- Will seek to audit its Supplier practices and documentation to demonstrate conformance with this code.
- Expects its Suppliers to measure and continually improve their ESG practices.
